

It takes a team to support their dreams.

All kids deserve
the chance to dream big,
and kids with **type 1 diabetes**
shouldn't be any different.
Let's work together and
support them to manage
their diabetes at school so
they have the chance to
learn, achieve and be
the best they can be.

Name: **Angel**

Parents: **Stephen & Sharleen**

Dedicated Staff Member: **Miss Williams**

Dream: **To build a skyscraper**

Last Glucose check: **8am**
